## Privacy Notice

Data protection and data security are important to Aparoza Pharma Sàrl (“Aparoza Pharma”; “we”). We process your personal data responsibly, in accordance with applicable laws and as described in this Privacy Notice.

## Content of this Privacy Notice

In this Privacy Notice, we inform you about how we collect and process personal data when you visit our website <https://aparoza.com/> (“Website”) or social media pages, contact us.

### Controller of the data processing

Aparoza Pharma is the controller of the data processing described in this Privacy Notice.

If you have any questions or would like to exercise your statutory data protection rights, please contact us at [info@aparoza.com](mailto:info@aparoza.com) or write to:

Aparoza Pharma Sàrl  
Rue Perdtemps 5  
1260 Nyon, Switzerland

### Personal data processed during communication and service provision

We collect the information you provide to us when you contact us, when you visit the Website, when you use our services, or when you apply for a job with us.

This may include general personal data, such as name and contact details, and, if applicable, details of your position or role with the organization on whose behalf you are contacting us.

If you apply for a job with us, we collect your resume and other information about your qualifications, which you submit to us as part of your application file.

We also process personal data that we receive from third parties. This regularly includes personal data that we receive in correspondence or meetings with customers, suppliers or other business partners, e.g. your name and details of your activity as an employee with the respective customer, supplier or business partner.

To the extent necessary to achieve the purposes described in this Privacy Notice, we also collect general personal data from publicly accessible registers, websites or platforms (e.g. to verify your authorization to sign) or by obtaining information from third parties (e.g. for reference purposes in the application process, if you consent to this).

## **Provision and use of our Website**

### *Use for information*

As with any connection to a web server, the server on which we have the Website provided automatically logs and stores certain technical data for a short time. This includes the IP address, and operating system of your device, the date and time of use, and the type of browser you use to access the Website or to communicate with our servers.

### *Web analytics*

We use web analysis services to evaluate the use of the website and to obtain information for its optimization. The web analytics services we use collect and store user data using cookies. Before they are transmitted to a server outside Switzerland/EU/EEA, the requesting IP addresses are shortened. We therefore do not transmit any personal data to the providers of the web analytics services abroad.

You can learn more about our use of web analysis services by using the Cookie Preferences tool implemented on the website.

### *Social Plug-ins*

The social plug-ins used on the Website allow you to recommend and share our content on social networks. You can recognize the social plug-ins on the Website by the logos of the respective social network. When you interact with the social plug-in, data is sent to the respective provider of the social network.

### *Resources from external websites*

We include resources from external servers on our Website. These contain visible content as well as technical resources.

The technical resources are used to improve the performance or security of our Website. When retrieving these resources, the operator of the external servers learns your IP address and/or certain traffic data that are necessary for the use of the servers of the external operator.

### Note on the use of cookies

We use cookies, tags, and similar technologies on the Website to provide you with the best possible user experience and to help us improve the Website. Cookies are text files that are downloaded to your computer or mobile device when you visit a website or use an app.

Some of the cookies we use are necessary to provide certain functions or content of the Website (e.g. the integration of videos or map functions). In addition, we use cookies to enable the analysis of the use of the Website and for the optimization of our services.

You can instruct your browser not to accept cookies or to prompt you each time before a cookie is set. You can also delete cookies on your device by using the corresponding function of your browser. In addition, you have the option of informing us of your preferences regarding the acceptance of cookies via the Cookie Preferences tool used on the Website.

### **Use of our social media pages**

On our company pages in social media, you will find posts about current developments at Aparoza Pharma as well as our range of services.

The social media providers collect and analyze usage data such as the number of visitors and demographic information about the visitors to our social media pages. We receive evaluations from the social media providers based on this data. These contain only aggregated or otherwise sufficiently anonymized data. Only the respective provider can identify you based on the usage data collected. Therefore, please observe the data protection information of the respective provider.

### **Use of our newsletter**

When you sign up for our newsletter, we collect the information you provide to us. This includes general personal data such as first name, last name and email address.

You can inform us at any time that you do not wish to receive our newsletter in the future. Please use the unsubscribe link at the end of the newsletter.

### **Photo, video and sound recordings**

We may create photo, video, or audio recordings during customer events or other events (online and physical events). If you prefer not to have close-up photos,

videos, or audio recordings of yourself, please let us know, and we will respect your request.

### **For what purposes we process your personal data**

We process your personal data primarily to inform you about our range of services, which includes the use of the website as a customer, and to provide, document and invoice our services in accordance with our contractual and legal obligations.

In addition, we process your personal data for the following purposes:

- Responding to your inquiries and communicating with you;
- Making available and optimizing the Website;
- Marketing and advertising;
- Optimization of our posts on our company pages in social media;
- Information about new developments at Aparoza Pharma and about new services (if you signed up for our newsletter);
- Organizing and carrying out events, contests and sweepstakes in which you participate;
- Processing job applications;
- Compliance with legal obligations; and
- Enforcement of legal claims.

We have a legitimate interest in processing your personal data in accordance with the aforementioned purposes. Some processing is also necessary for us to comply with our contractual obligations to you or with our legal obligations (e.g., retention obligations).

### **How we store and protect your personal data**

We store your personal data only to the extent and for as long as necessary to fulfill the purposes described in this Privacy Notice or to comply with legal obligations.

In the interest of the integrity and confidentiality of personal data, we take appropriate technical and organizational measures. In particular, we implement physical and logical access controls, and procedures to regularly review, assess, and evaluate the effectiveness of the measures in accordance with our risk assessment.

### **To whom we disclose your personal data**

In order to achieve the purposes described in this Privacy Notice, it may be necessary for us to disclose your personal data to other organizations. These are the following categories of recipients:

- external service providers;
- suppliers and other business partners (in the context of communication and service provision); and
- authorities and courts (if applicable).

## **Place of processing**

We store and process your personal data primarily in Switzerland and the EU.

However, we may also transfer your personal data to recipients in countries outside Switzerland or the EU (worldwide). We transfer data to countries without adequate data protection on the basis of Standard Contractual Clauses or legal exceptions (e.g. necessity for contract performance).

## **Your rights in relation to your personal data**

You have the following rights in relation to personal data relating to you:

- the right to obtain information about what personal data we hold about you and how we process it;
- the right to receive or transfer a copy of your personal data in a common format;
- the right to have your personal data rectified;
- the right to have your personal data deleted; and
- the right to object to the processing of your personal data.

Please note that legal requirements and exceptions apply to these rights. To the extent permitted by law, we may refuse your request to exercise these rights. You also have the right to lodge a complaint with the Federal Data Protection and Information Commissioner (FDPIC) or any other competent supervisory authority.

## **How we can change this Privacy Notice**

We may change this Privacy Notice at any time, especially if we change our data processing practices or if new legislation becomes applicable. The version provided on the Website applies.

Version: 21th April, 2026.
